Absence declaration

Capron	Styropor
Luran	Terblend N
Luran S	Terluran
Neopolen	Terlux
Polystyrol	Ultradur
Styroblend	Ultraform
Styrolux	Ultramid
Styroxflex	Ultrason

We confirm that substances regulated by the EU Directive **2003/11/EC**, amendment of Council Directive **76/769/EEC** relating to restrictions on the marketing and use of certain dangerous substances and preparations (pentabromodiphenyl ether, octabromodiphenyl ether)

- pentabromo diphenyl ether and octabromo diphenyl ether

are not intentionally used in the manufacture of our current range of above mentioned plastic materials.

Therefore we consider the requirements of EU Directive **2003/11/EC** as fulfilled.

However, since the presence of the substances restricted by this Directive cannot reasonably be expected, the absence has not been checked by test.

i. A. Klatt

The data indicated above are the results of our investigations and correspond to the state-of-the-art. The data refer to the state of the laws at the date of issue.

This confirmation expires after 12 months or in case of regulatory changes.

Please ask for a new confirmation if needed.

It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.
