Designer table-top plastic enclosures

With its robust construction and attractive design the EVOTEC enclosures range is ideal for tough working environments. Different operating faces offer enormous scope for your design.

- soft contours provide an elegant appearance
- choose between two versions: with a flat top part and desktop versions with the operating area ergonomically inclined by 12°
- large operating area in the top panel for switches, pushbuttons and touch displays
- desktop version with smooth top or with a recessed area for protecting a membrane keypad or decor foil
- Evotec sizes
  - with flat top part: sizes 80, 100, 125, 150, 200 and 250
  - desktop versions: sizes 150, 200 and 250
- screw pillars provided in the top and bottom parts for fitting PCBs
- molded in high-quality UV-stable ASA+PC-FR plastic in off-white (RAL 9002) as standard
- tough design with a high degree of stability
- seal for protection class IP 65 available as an accessory
- rubber feet ensure stable positioning on desktops and flat surfaces
- cases assembled with Torx drive stainless steel screws
EVOTEC
